Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

For the past six years, I've worked with students preparing for IB Geography, guiding them through key topics like urbanisation, globalisation, and climate change. My experience includes helping students develop analytical skills for extended essays and case studies.

I have also supported A-Level and IGCSE Geography students, providing insights into physical and human geography. My teaching includes assisting with practical assignments and exam preparation, helping students achieve outstanding results and gain admission to top universities.
